### LEVERAGE THE BIG MOVES IN GOLD & SILVER

Gold hits prices not seen since the 80's. Silver follows suit. Will the momentum continue or will precious metals plunge? Play the precious metals market's volatility - up or down - with options on gold futures. Get American Atlantic's complimentary guide.

### FIND STOCKS BEFORE THEY REACH A POTENTIAL BUY POINT

See specific stocks that could be setting up for significant gains: Get 3 free weeks of Investor's Business Daily® - Weekly Edition. Plus get special access to investors.com: check ratings for your stocks; enjoy proprietary investing tools, and more.

### HOW CAN YOU BENEFIT AS NATURAL GAS REPLACES OIL?

Many experts believe that natural gas will supplant oil as the world's primary energy source by 2025. Direct private placement investments in gas exploration could be your best opportunity for gains and tax write-offs. Learn more with Signal Oil & Gas' free White Paper.
